MAKE A DIFFERENCE IN YOUR COMMUNITY

NLR's goal is to attract and utilize the next generation of young professionals as advocates for fair and unbiased workplaces.

New Leadership Roundtable events are held after work on the second and fourth Thursdays of the month.

- On the second Thursday, NLR holds a speaker/discussion session featuring professionals from companies/organizations that foster an inclusive and diverse workplace.
- On the fourth Thursday, NLR holds an after-work gathering, where young professionals can network and discuss topics with OCCJ board members in a social atmosphere.

The Oklahoma Center for Community and Justice (OCCJ) is a human relations organization dedicated to fighting bias, bigotry and racism. OCCJ promotes understanding and respect among all races, religions and cultures through advocacy, conflict resolution and education.
